Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each document is attached.

No fee or certification is required in connection with this Information Disclosure Statement, since it is being submitted prior to the last of (1) issuance of a first official action on the merits and (2) expiration of the three month period following filing of the above-captioned application.

Documents UA to UE and FA are in the English language.

Therefore, no explanation of the relevance of these documents is believed to be required under 37 C.F.R. §1.98. Please note that documents UA to UE are described in the paragraph beginning at page 1, line 24, in the specification of the present application.

Documents FB to FK are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by submission of corresponding English language equivalent patents and partial English translations of pertinent portions. Please note that documents FB to FG and FI to FK are described in the paragraph beginning at page 1, line 24, in the specification of the present application. Equivalent patents are identified in the specification in parentheses. Document FA (in the English language) corresponds to document FB. Document FH is a laid-open Japanese Patent publication corresponding to document UB that is in the English language and is described in the paragraph beginning at page 1, line 24, in the specification of the present application (document UB issued from a priority application of document FH as shown in the printout of priority search results from the web site
